## **Andrew Lindsay Joins Fagan Consulting, LLC**

(Austin, Texas) – Fagan Consulting, LLC, a transportation system consulting firm, today announced that Andrew (Drew) Lindsay, Technical Manager at a major tolling systems integrator, will be joining Fagan Consulting, LLC's team of toll systems consultants. Lindsay's expertise includes requirement definition and analysis, systems migration management, business rules development, gap analysis, strategic planning and performance management.

"I am excited that Drew has joined our team," says Fagan Consulting Partner Bill Brownsberger. "We have worked together for years and I've always been impressed with his ability to get to the root of operational challenges and identify innovative yet practical solutions to keep projects moving forward. He shares our values and focus on providing exceptional service to our customers, and he places the same emphasis on innovation as we do. He is a leader in his field and has a track record that speaks for itself."

Prior to joining Fagan Consulting, LLC, Lindsay provided comprehensive system implementation and management services for clients such as the Illinois State Toll Highway Authority, Harris County Toll Road Authority, Georgia State Road and Tollway Authority, Louisiana Department of Transportation and Development, and Alameda County Transportation Commission.
